Eine H O M M A G E an die beinahe in
Vergessenheit geratene textile Kultur.

Seit jeher schwimmt die Weberei Rohleder gegen den Strom – in einer Zeit, in der der Markt fast ausschließlich vom Preis getrieben ist, präsentiert Rohleder entgegen des Mainstreams die hochwertigste und außergewöhnlichste Kollektion seit Langem im Bereich Interieur Textilien. Eine Hommage an die beinahe in Vergessenheit geratene textile Kultur, deren Reichtum und Bedeutung erneut ins Bewusstsein der Verbraucher gerufen werden soll.

Weit über ein Jahr Entwicklungsarbeit investierte das Rohleder-Design Team in die Übersetzung der aufwendigen Vorlagen aus der Feder des Künstlers in webfähige Bindungen. Das Ergebnis ist eine umfangreiche Textilkollektion in unterschiedlichen, feinen Webqualitäten. Von Möbelstoffen mit bis zu 160 Schussfäden pro Zentimeter, über kalanderte Viskose-Leinen Epinglés und einem edlen Velours

bis hin zu feinen Vorhangsstoffen. Alle bestechen durch ihren Farbreichtum, ihre Brillanz und Fülle.

Die exklusive Kissenkollektion ist in drei Farbwelten erhältlich. Abgerundet wird diese durch Plaids, Poufs, gewebte Bilder, Vorhänge, feine Stoffe und einen Paravent. Jedes Werk erzählt seine ganz eigene Geschichte und spiegelt die hohen Qualitäts- und Designansprüche von Rohleder und Olaf Hajek wider. Alle Stoffe und Produkte der Rohleder Home Collection by Olaf Hajek sind für sich formvollendete Kunstwerke in Gestaltung sowie Handwerkskunst – echte ‚Pieces of Art‘ – und wohl das Exklusivste, das in der Firmengeschichte der Weberei Rohleder kreiert wurde.

An H O M A G E to the textile culture
almost fallen into oblivion.

The weaving mill Rohleder has always bucked the trend – in a time where the market is almost solely driven by the price, Rohleder presents the highest-quality and most extraordinary collection in the field of interior textiles in a long time, withstanding the mainstream. An homage to the textile culture almost fallen into oblivion with its wealth and meaning consumers need to become aware of again.

Far more than a year of development work was invested by the Rohleder design team to translate the complex patterns from the artist's pen into weaveable textures. The result is an extensive textile collection in different fine weaving qualities. From upholstery fabrics with up to 160 picks per centimeter to calendered viscose-linen épingle fabrics and a fine velvet to delicate curtain fabrics.

They all stand out due to their richness in color, brilliance and opulence. The exclusive cushion collection introduced to begin with, is available in three color worlds. It is completed by plaids, poufs, woven pictures, curtains, fine fabrics and a screen. Each artwork tells its very own story and reflects the high quality and design standards of Rohleder and Olaf Hajek. Every single fabric and product of the ROHLEDER HOME COLLECTION by Olaf Hajek is a perfect artwork in terms of design and workmanship – true ‚Pieces of Art‘ – and certainly the most exclusive products created in the company history of the weaving mill Rohleder.

Dr. Lisa Zeitz

Über den Künstler
About the artist

Man meint ihn förmlich hören zu können – den melodischen Ruf des Paradiesvogels, das Zischen einer Echse im knisternden Geäst, das Aufspringen üppiger Knospen, wie im Zeitraffer...

Mit seinen prächtigen Gemälden entführt Olaf Hajek den Betrachter in mystische Welten, bevölkert sie mit überbordenden Blütenarrangements, Tieren und Pflanzen, die botanischen und zoologischen Kompendien entsprungen zu sein scheinen. Anlehnungen an die primitive Kunst vermischen sich mit folkloristisch angehauchten Elementen zu einer gänzlich neuen Bildsprache. Deutlich spürt man die Wurzeln und Inspirationsquellen von Hajeks Werken in seinen Reisen nach Südamerika, und Afrika.

Auch den direkten Blicken seiner „Flowerheads“ kann man sich nur schwer entziehen – scheinen diese den Betrachter nicht beinahe in ihre Gedankenwelt hereinzubitten? Dort wimmelt es nur so von surrealistischen Arrangements, es locken

wachsende Erzählungen, blühende Geheimnisse. Hajeks Werke evozieren Luxus, Opulenz und Schönheit und setzen diese in Kontext mit dem Reichtum der Natur und dem unerschöpflichen Gedankengut.

Die filigranen Phantasiewelten erschafft Hajek in seinem Berliner Atelier mit Ölkreide und Acryl. Bei genauerem Hinsehen wird sichtbar, dass er dabei die Farben nebeneinander setzt. Diese neue Mischtechnik verleiht seinen Werken eine oszillierende Wirkung und erweckt beinahe den Eindruck einer Patina; als hätte das Gemälde bereits eine eigene Geschichte.

Rohleder lässt nun aus den Illustrationen des Künstlers Textil gewordene Träume entstehen.

You think you can literally hear it – the bird of paradise's melodic call, the hiss of a lizard in the crackling branches, the bursting of lush buds like in fast motion...

With his magnificent paintings, Olaf Hajek carries the beholder away into mystic worlds, fills them with opulent flower arrangements, animals and plants that seem to come from botanical and zoological compendiums. The style of primitive art combined with elements showing ethnical tendencies mixes to a completely new imagery. You can clearly feel the roots and sources of inspiration of Hajek's artworks lying in his journeys to South America and Africa.

It's just as hard to escape the direct looks of his „Flowerheads“ – don't they just almost seem to ask

the beholder into their thought? They are alive with surrealist arrangements, growing stories that are luring and blossoming secrets. Hajek's artworks evoke luxury, opulence and beauty and contextualize them with the wealth of nature and inexhaustible ideas.

His Berlin studio is the place where Hajek creates the filigree phantasy worlds with oil chalk and acrylic. A closer look reveals that in doing so, he places the colors side by side. This new mixing technique gives his creations an oscillating effect and almost causes the impression of a patina; as if the painting already has an own story.

Rohleder now turns the illustrations of the artist into textile dreams come true.

Leisten & Rahmen

In hochwertigster Webqualität wurden Olaf Hajeks ausdrucksstarke Illustrationen IRIS und BLACK ANTOINETTE von der Weberei Rohleder als exklusive Textilbilder umgesetzt. Die Motive sind in einer limitierten Auflage von 50 Exemplaren erhältlich. Gefasst werden die Kunststücke von handgeschliffenen Schattenfugenrahmen in drei unterschiedlichen Qualitäten, die in der Traditionsmanufaktur F. G. Conzen in Burg bei Magdeburg gefertigt werden. Die handgearbeiteten und teilweise vergoldeten Bilderrahmen werden von gelernten Vergoldern und Tischlern in einer Vielzahl von Arbeitsschritten hergestellt. Bis ein Rahmen vergoldet und antik gearbeitet ist, vergehen bis zur Fertigstellung eines Rahmens daher mindestens zwei bis drei Wochen Fertigungszeit. Jedes Bild dieser limitierten Edition ist mit einem Originalsiegel versehen und wird mit beigelegtem Echtheitszertifikat von Rohleder geliefert.

Olaf Hajek's expressive illustrations IRIS and BLACK ANTOINETTE were realized as exclusive textile pictures in the highest weaving quality by Rohleder. The motifs are available in a limited edition of 50. The artworks are framed by hand-cut shadow gap frames in three different qualities, which are produced by the traditional manufacturer F. G. Conzen in Burg near Magdeburg, Germany. The handcrafted and partially gilded picture frames are produced by skilled gilders and carpenters in a number of steps. It therefore takes at least two to three weeks to complete a frame before it is gilded. Each picture frame is finished with an original seal and comes with a certificate of authenticity from Rohleder.

TEXTILE ART
FABRICS

Zarte Garnpinsel, fein säuberlich angeordnet in Reih und Glied, Farbnuance um Farbnuance aufeinander abgestimmt, handschriftlich notierte Ziffern, ein von Hand gefertigter Einband aus feinstem, unbehandelten Leinen... Die ROHLEDER HOME COLLECTION by Olaf Hajek ist wahrlich ein Kunstwerk für sich und der Glanzpunkt jeder Textil-Bibliothek. Man spürt, dass man etwas ganz Besonderes in Händen hält, wenn man eines der drei großformatigen Kollektionsbücher aufschlägt und jedes der meisterlich handgefertigten Bücher seinen kostbaren Inhalt preisgibt. Ergänzt werden die Hauptbücher von einem kleinformatigen Buch mit den schönsten Uni- und Faux-Uni Qualitäten sowie der in Musterbügeln präsentierten Deko-Kollektion.

Delicate yarns, neatly arranged in rank and file, shade by shade matched to each other, handwritten numbers, a hand-made binding of finest, untreated linen... The ROHLEDER HOME COLLECTION by Olaf Hajek is truly a work of art in itself and the highlight of every textile library. You can feel that you are holding something very special in your hands when you open one of the three large-format collection books, each masterfully handcrafted and revealing precious contents. The main books are complemented by a small-format book with the most beautiful plain and faux-plain qualities as well as the decorative collection presented in sample hangers.
